TERRE-HAUTE:

#### Mr. Usher and the Journal.

SATURDAY. September 6, 1856.

On Thursday last, we answered, in part, an article in the Journal over the aignature of " '56," making certain strictures upon Mr. Usher's circular of 1851. We then addressed certain inquiries to the Journal and its correspandent to which no answer has been given. We are not surprised at this; we expected none. The Journal's correspondent attempted to prove that the compromise of 1850, was inconsistent with the principle of slavery restriction. We showed that it was not; but
